

## The 5 W's of Choice Medicine

### Who is the Choice Medicine?

- A 501(c)(3) not for profit organization based on healthcare education and community service
- We provide compassionate healthcare to our patients
- We deliver affordable medical care to families and individuals in the surrounding community
- We give a tax donation receipt for every donation received
- We use all the proceeds earned to support the building and the operating of a new medical center servicing Madison County

### Why should you support Choice Medicine?

- You help support a healthier community which brings peace of mind to the communities we serve and people like you
- We are focused on providing the highest level of service to our patients
- We are privately funded by people like you and depend on your financial support to serve the indigent and uninsured
- We empower our users to take their health into their own hands financing their healthcare according to a sliding fee schedule based their annual earnings
- We are not profit driven, we are based on Service to our community

### What can you do in support of Choice Medicine?

- You can donate contributions such as supplies or equipment to the medical center for indigent and uninsured care
- You can volunteer and give of your time to improve our community's health
- You can be a financial contributor to Choice Medicine designating donations to the "building a healthier community" program
- Write a letter in support of Choice Medicine and its importance to community healthcare and send it to us at: Choice Medicine P.O. Box 129, Toney AL 35773.
